

Lack of public facilities on NH-5

988. SHRI V. HANUMANTHA RAO: Will the Minister of SHIPPING, ROAD TRANSPORT AND HIGHWAYS be pleased to state:

(a) whether the NHAI has received a specific representation recently that not a single public facility or public convenience has been built on the entire N.H. 5 between Vizag and Vijayawada from the Road Safety Forum of Andhra Pradesh;

(b) whether the NHAI has made any effort to contract the Road Safety Forum and help formulate and build public facilities;

(c) whether it is also a fact that offer to help the NHAI by public spirited people and organizations have been ignored by NHAI;

(d) whether senior officials of NHAI will visit the area and rectify and address the problem; and

(e) the dates set for this matter?

THE MINISTER OF STATE IN THE MINISTRY OF SHIPPING, ROAD TRANSPORT AND HIGHWAYS (SHRI K.H. MUNIAPPA): (a) and (b) Yes, Sir. One representation dated 7.11.2006 has been received about lack of toilets and lay-byes and public facilities between Vishakhapatnam - Vijayawada on National Highway 5. The representation is being scrutinized.

(c) No, Sir.

(d) and (e) The NHAI field officials have been advised to identify locations for systematic developments of small and comprehensive wayside amenities on various completed/under construction highways under Golden Quadrilateral/North-South and East-West corridors, including NH-5 in Andhra Pradesh.

Road Safety on NH-5

989. SHRI V. HANUMANTHA RAO: Will the Minister of SHIPPING, ROAD TRANSPORT AND HIGHWAYS be pleased to state:

(a) whether Government have ignored diverse suggestions for improvement of Road Safety on NH-5 Andhra Pradesh;

[30 November, 2006]

RAJYA SABHA

(b) if so, whether Government have any alternate plan to the various suggestions of Road Safety Forum;

(c) what are the salient points of the alternate plan;

(d) the reasons for the failure of such a plan to reduce fatal accidents on NH-5; and

(e) the steps proposed to review the entire process?

THE MINISTER OF STATE IN THE MINISTRY OF SHIPPING, ROAD TRANSPORT AND HIGHWAYS (SHRI K.H. MUNIAPPA): (a) No, Sir.

(b) to (e) Various measures for improvement of road safety have been carried out on NH-5 based on suggestions/demand from local representatives and Road Safety Forum. National Highways Authority of India (NHAI) has undertaken Safety Audit of the four laned National Highway under Golden Quadrilateral between Gundugulanu to Tuni in Andhra Pradesh.

Bad State of NHs in the country

990. **SHRI MAHENDRA SAHNI:** Will the Minister of SHIPPING, ROAD TRANSPORT AND HIGHWAYS be pleased to state:

(a) whether it is a fact that the condition of National Highways is pathetic in other States of the country also including Bihar;

(b) if so, the reasons therefor; and

(c) the steps being taken by Government to carry out the qualitative improvement therein?

THE MINISTER OF STATE IN THE MINISTRY OF SHIPPING, ROAD TRANSPORT AND HIGHWAYS (SHRI K.H. MUNIAPPA): (a) and (b) Some of the National Highways sections in the country are affected by damages like cracking, potholes, erosion of berms, ravelling etc. due to heavy traffic, overloading, climate etc. National Highways in country including Bihar are being maintained in traffic worthy condition within available resources.

(c) The development and maintenance of National Highways is a continuous process. In order to carry out qualitative improvement, the
